Hardwood Banding is available on all E hoods. Please note the banding is cut from a solid piece of wood so there is both long grain and end grain which will stain differently, care must be taken during the staining process to attain an even color. Failure to attain an even color is not considered a defect.  
36" gets 2 on the face and 2 on each side  
42-48" get 3 on the face and 2 on each side  
54-60" gets 4 on the face and 2 on each side

*Must Specify height, should not be cut down in the field Call for custom widths / heights*
